Dear Mr. Kandial,

Pursuant to your request, please refer to the following information.

With reference to the AA noted above, we are acknowledging that the temporary trailers will be installed over and existing water main. In the event the City of Coconut Creek needs to access the water main, any damages to the temporary trailers will be the responsibility of Adios Golf Club, Inc. Further, the trailers utilized will be on the property for a period of time not exceeding six (6) months from the date of the actual installation of the trailers.

Please feel free to contact me with any additional comments on the matter at hand.

Sincerely,
