

CITY OF COCONUT CREEK  
INTER OFFICE MEMORANDUM

To: Planning & Zoning Board

Date: July 18, 1985

From: Steve Magee, Director  
Community Development *SM*

Subject: Sign Application - Mr.  
HOW Warehouse  
Agenda Item #4

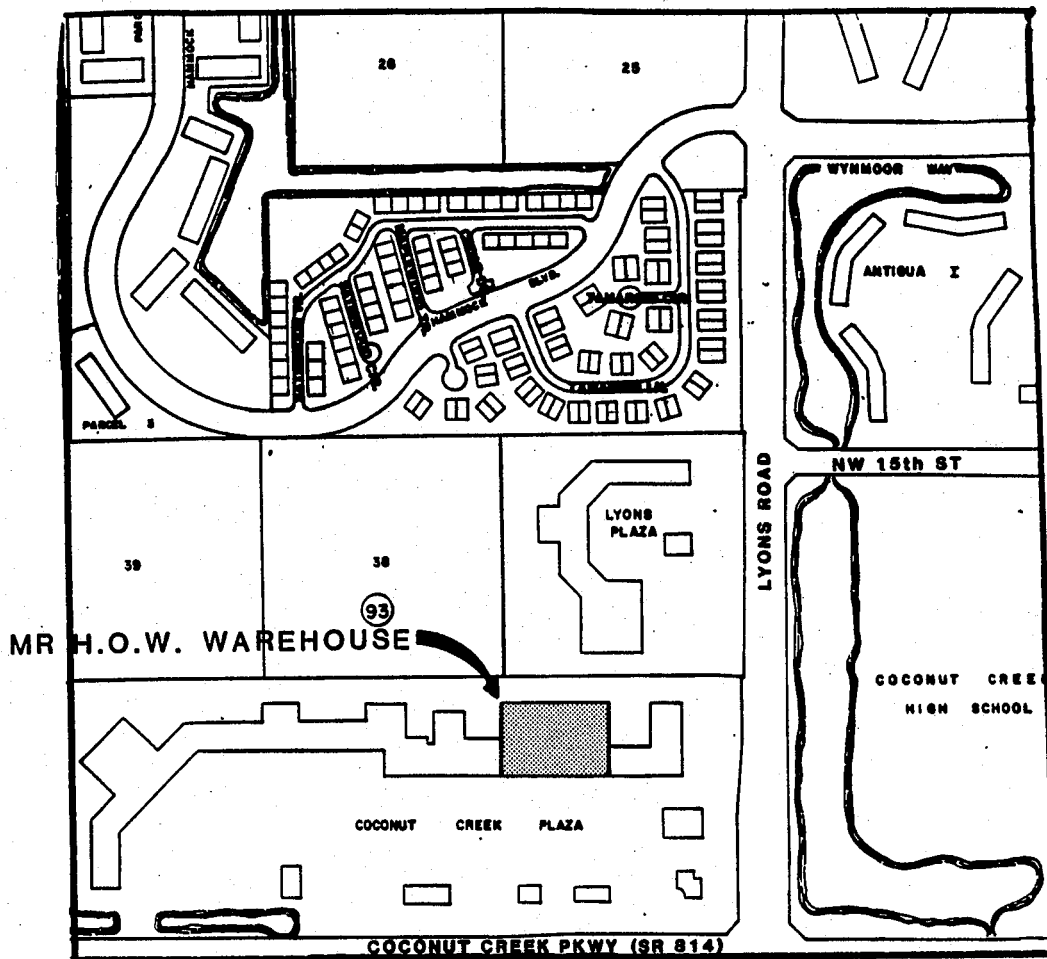

The applicant, Mr. HOW Warehouse, formerly Home Owners Warehouse, is requesting a change to the front identification sign for the Coconut Creek Plaza store. The existing sign copy currently reads - Home Owners Warehouse and will be modified to read Mr. HOW Warehouse reflecting the change to the corporate name.

The proposed sign lettering includes a combination of 24" and 36" yellow letters. The maximum letter height permitted by the Coconut Creek Plaza Sign Plan is 36 inches. The applicant intends to reuse the existing 24" letters and add 36" letters for the "HOW" portion of the sign.

I recommend approval of this request.
