INTER OFFICE MEMORANDUM

To: Community Appearance Board

Date: November 24, 1982

From: Dennis Mele, AICP, Director *DM*

Subject: Coconut Creek Plaza Pylon
Sign, Agenda Item No. 4

The developers of Coconut Creek Plaza are requesting Community Appearance Board approval for a pylon sign which shows the name and logo of the Plaza. This sign conforms with the Coconut Creek sign ordinance provisions for pylon signs which are defined in Section 307.0602 (mm) and are further described in section 307.0203 d (1).

The applicant should indicate the colors to be used on the sign, and if those colors conform to the color scheme for other signs in the Plaza, I recommend approval of this application.
