RE: Drawing Revisions –
El Dorado Furniture Store at
El Dorado Home Furnishings Center, Coconut Creek
Permit number: 08000210

To Whom It May Concern:

A detailed, sheet-by-sheet description of minor drawing revisions/clarifications and sheet added to the approved permit drawings for El Dorado Furniture Store at El Dorado Home Furnishings Center, Coconut Creek, follows:

Architectural Sheets:

- Sheet A -0** Revision 6, Dated 06-19-08 ADDED SHEET.
To INDEX OF DRAWINGS added sheet A-1.1a; titled: POD #2 CONSTRUCTION BOUNDARY; indicating the scope of work within the construction boundary line of POD/OUT-PARCEL #2.
- Sheet A -1.1** Revision 6, Dated 06-19-08 SHIFT LGT. POLES, DELETE FENCE/PIERS.
General modifications to clarify light pole locations and deletion of one grouping of decorative piers and fences. As per 6-19-08 on site meeting w/Osama Elshami, located a site light pole (4th north from south along Lyons Rd.) centered between the force main and water main pipes in the city's utility easement along the west side of Lyons Rd., w/o having to provide pipe sleeves, and indicated 6' deep pier foundation for this one pole. Also, as per City's request, deleted one grouping (second from the south along Lyons Rd.) of decorative piers and fence (4 piers & 3 fences) so as to satisfy the city's request that that this one grouping not be in city's utility easement along the west side of Lyons Rd.
- Sheet A -1.1a** New sheet, titled: POD #2 CONSTRUCTION BOUNDARY; indicating the scope of work to be performed under the current permit within the construction boundary line of POD/OUT-PARCEL #2.
