Subject: 3840 COCONUT CREEK PARKWAY - EXTERIOR PAINT
Attachments: 01-58182 - Survey Package.pdf; Exterior Paint Color.PDF

Good Afternoon,

I spoke to a representative earlier and she gave me your contact info in order to have you review our request. The owner of the office building at 3840 Coconut Creek parkway is requesting approval to paint the exterior facade of the building.

Most of the elevations are covered in stone - pls see attached survey package.

The proposed portions to be painted are as follows: taller sloped portion at the center and the eyebrows.

Color: Frosted Jade UL 220-13 Behr Premium Ultra Eggshell - please see attached color swatch.

If you need anything else please let me know.

Thank you for your time and consideration in this matter.

Best,

--
