Tradewinds Corporate Pavilion Parking Lot EPD Certification Letter

March 6, 2013

Project: Tradewinds Park Corporate Pavilion Parking Lot
License No. SMW 2012 -029-0
3600 W Sample Road, Coral Springs, Florida

I HEREBY CERTIFY THAT BASED ON PERIODIC CONSTRUCTION OBSERVATIONS PERFORMED BY THIS OFFICE, TO THE BEST OF OUR KNOWLEDGE AND BELIEF, THE SURFACE WATER MANAGEMENT FACILITIES FOR THE ABOVE REFERENCED PROJECT HAVE BEEN CONSTRUCTED IN SUBSTANTIAL ACCORDANCE WITH THE DESIGN APPROVED BY BROWARD COUNTY EPD , AND HEREBY AFFIX MY SEAL THIS 6th DAY OF MARCH, 2013.

Please note that due to tree locations and other field conditions, the following revisions were made to the project layout during construction, however, these revisions did not impact the surface water management system originally designed and approved. The revisions are as follows:

- The east side of the parking lot was relocated 17 feet to the south, in order to minimize the impact to an existing tree that was not located correctly on the original survey.
- The sidewalk layout was modified slightly on the east side and the north side of the Corporate Pavilion.
- Two parking spots were moved to accommodate an existing tree.

Some of the Type D curb was eliminated from the project.
