Dear Permittee:

The Florida Department of Environmental Protection has received and processed your *National Pollutant Discharge Elimination System Stormwater Notice of Termination (NOT)*. This letter acknowledges that your coverage under the *Generic Permit for Stormwater Discharge from Large and Small Construction Activities* has been terminated. This letter does not release you from liability for any previous violations of the conditions of the permit.

Be advised, if the site referenced in the NOT has not been finally stabilized, stormwater discharge from the site is unlawful.

If you have any questions concerning this letter, please contact the NPDES Stormwater Notices Center at (866) 336-6312.

Sincerely
