Requested Change:

The applicant is requesting a change to the exterior building colors for the Cypress Shores Apartments, without altering architectural features, building footprints or site layout. Based on the proposed palette, the color selection demonstrates compliance with standards set-forth within the City's Land Development Code Section 13-37, Aesthetic Design requirements.

Attached to this memo is a letter from Marianne McCoy, Sherwin-Williams Company, explaining the request a paint sample sheet itemizing the manufacturer and common color names and photographs depicting the specific areas on the building where the new colors are proposed. Only those items specifically addressed by the applicant have been considered. All other requirements as shown within the approved plan remain in effect.

Subject: Exterior Color Change Request
Cypress Shores Apartment Homes
1901 Lyons Road
Coconut Creek, Florida

Dear Liz:

I am submitting with this cover letter several items for your review concerning the proposed color change for Cypress Shores Apartment Homes.

The owner, Associated Estates Realty, would like to change the exterior color scheme to the one used on another of their properties in Florida. Attached is a list of the proposed colors and their locations on the residential buildings, clubhouse, and entrance features.

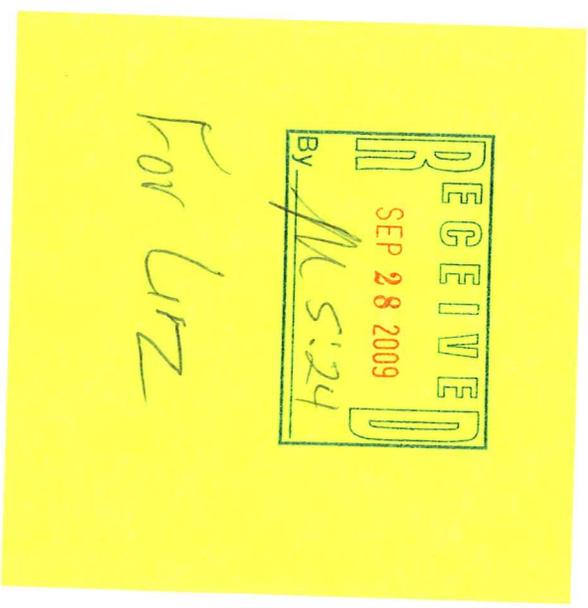

The proposed body colors are green and gold. The trim color is SW 6386 Napery. The entrance door and railing color is black. A full scale view of the proposed paint scheme can be seen at the property on the southwest side of Building 7. Attached is the Sherwin-Williams "Dot Card" with paint samples of the 2 custom matched body colors, gold and green, and the trim color SW 6386 Napery.

I am also transmitting 2 renderings of the proposed color changes. One rendering is the front elevation, the other is a side elevation. We hope you agree that the proposed changes will enhance the Cypress Shores community and the City of Coconut Creek.

Sincerely,

Marianne McCoy
